## POLICIES AND PROCEDURES

**Shop Hours** – Shop Hours are Monday through Friday – 8:30 AM to 5:30 PM. Saturday and Sunday are by appointment only (Opening and/or over time shop charges may apply). In the event on an after hours emergency, please call the shop number to be forwarded to on-call personnel.

**Rental Rates** – All rental rates listed are for one-day. This is the minimum rental period. Weekly rates are charged at a three-day rate. Longer rental periods are available. All items are subject to availability. Rental rates are subject to change without notice. Please call to confirm.

**Reservations** – Adequate time must be given to prepare your order. Orders placed after 12-noon for use the following day cannot be guaranteed and are subject to our shop work schedule. In such cases the rental office will inform you if additional charges are necessary. If you are scouting the day before your shoot, please let us know in advance. All equipment is rented on a first come first served basis so make your reservations early.

**Pre-Rental Inspection** – It is strongly recommended that a representative of your crew be present prior to your shoot to inspect your order and to assist in the loading of your package. This is especially important for long format shoots or shoots where travel is involved. If you are renting a vehicle a representative from your production (driver or otherwise) MUST come to the shop to do a walk-around of your vehicle prior to your taking the vehicle.

**Pick-Up and Return** – Rental Items may be picked up after 3:00pm the last business day before a shoot (unless other arrangements have been made). Items must be returned by 10:00 am the first business day following a shoot or additional days may be charged. Gearhead Grip & Electric reserves the right to charge for lost rentals due to late returns. Opening and/or over time charges may apply for pick-ups and returns during times other than the above stated shop hours. Vehicles, however, may be picked-up anytime 24 hours a day if arrangements are made in advance.

**Drivers** – All drivers are employed by the renter (the production company) and must be covered under the renter's insurance policies. See Terms and conditions for insurance requirements. It is the responsibility of the renter to determine whether or not a driver is qualified though Gearhead Grip & Electric reserves the right to prohibit any driver they consider to be unacceptable from driving our vehicles. All driver's must behave in a professional and courteous manner. It is important that they understand their responsibilities. A Driver's Responsibilities Form is available from Gearhead Grip & Electric. A signed copy of this form must be on file for any driver taking a Gearhead Grip & Electric vehicle.

**Cleaning / Drying Fees** - All equipment must be returned clean and dry and all trucks must be re-loaded in an orderly fashion. If a package is returned in an unclean, wet, or disorganized state, shop fees will be assessed.

**Cancellation Fees** – Cancellation of an order must be made at least 24 hours prior to pick-up. Cancellations made less than 24 hours before pick-up are subject to cancellation fees. The standard cancellation fee is 50% of the rental equipment day rate for all confirmed days, not to exceed 10 confirmed days.

**Delivery Charges** – 24 hour delivery service is available. A flat fee of \$50 will be charged for deliveries or pick-ups during normal business hours within the city of Portland. Most deliveries in the Greater Metro area will be \$75. This service is subject to availability and must be arranged in advance. There will be no charge for deliveries that arise as a result of omissions on our part or equipment replacement due to failure.

**Burned out Globes** – The renter is responsible for all globes that burn out during the course of a shoot. This responsibility is waived if the renter purchases Burned Out Globe Coverage. This fee is equal to 10% of total LIGHTING rental fees. All burned out globes must be returned to Gearhead Grip and Electric or they will be assumed to be missing, lost or stolen and the renter will be charged replacement costs.

Please see Terms and Conditions for additional information.

## TERMS AND CONDITIONS

These terms and conditions form part of the rental contract (the "Rental Contract") between you and GEARHEAD GRIP & ELECTRIC, and apply to all the equipment and/or vehicles (the "Equipment") rented by you. By mutual agreement between you and GEARHEAD GRIP & ELECTRIC exceptions to these terms and conditions may be written into a specific Rental Contract.

### PRE- PRODUCTION - TESTING THE EQUIPMENT

You are responsible for any damage you cause to equipment, property or person(s), during testing. After completing your tests you must notify GEARHEAD GRIP & ELECTRIC of any defective or inoperable equipment immediately upon discovering the defect. Unless you notify GEARHEAD GRIP & ELECTRIC of a defect or problem with the equipment supplied, you agree that the Equipment is in good working order and that the Equipment is acceptable to you.

### YOUR RESPONSIBILITIES WITH REGARD TO THE EQUIPMENT

You assume all risks of loss. Once you have taken delivery of the Equipment, your responsibility includes, but is not limited to, risks while in transit, at all locations named and unnamed, at all studios, while on your own premises and while in use, or storage on the rental facility's premises.

Your responsibility ends when the equipment is returned and the rental term has expired. Equipment will not be deemed to have been returned until all of the following conditions have been met: 1) property has been brought back to the premises during normal business hours; 2) an inventory has been completed and a missing and damaged list has been compiled, if needed; and 3) the term of the Rental Contract has expired.

You are responsible for all equipment being stored for you by GEARHEAD GRIP & ELECTRIC. You are responsible for all equipment (including but not limited to camera (s), props, sets & wardrobe) which is picked up or stored by GEARHEAD GRIP & ELECTRIC for your ultimate use. GEARHEAD GRIP & ELECTRIC shall be acting as your agent in storing any such property which belongs to third parties. All risks of physical loss to property which is transported or stored at GEARHEAD GRIP & ELECTRIC for your benefit shall remain your responsibility until GEARHEAD GRIP & ELECTRIC has closed your contract.

### RESTRICTIONS UPON THE USE OF THE EQUIPMENT

Local use only, unless otherwise agreed. Geographic restrictions can be removed from GEARHEAD GRIP & ELECTRIC by mutual agreement between you and GEARHEAD GRIP & ELECTRIC. Use by qualified technicians only. The Equipment may be used only by your duly qualified employees and/or agents and in strict accordance with the use contemplated in the Rental Contract. You shall keep the Equipment in your sole custody and shall not permit the Equipment to be used in violation of any laws. No sublease by you is permitted. You may not sublease all or any part of the Equipment without written consent of GEARHEAD GRIP & ELECTRIC. Do not remove serial numbers or cover company logos. You may not remove or cover over any serial numbers, tags, nameplates, or identifying logos on the Equipment showing ownership by GEARHEAD GRIP & ELECTRIC.

### NO WARRANTY OR GUARANTY

Except as provided by the law, Equipment is rented to you without warranty or guaranty of any kind, expressed or implied, and GEARHEAD GRIP & ELECTRIC assumes no responsibility unless agreed to in writing.

### EQUIPMENT DAMAGED OR DESTROYED WHILE IN THE FIELD

As soon as you discover that equipment in the field is defective, you should notify GEARHEAD GRIP & ELECTRIC of the problem and if necessary return the Equipment to GEARHEAD GRIP & ELECTRIC, freight pre-paid, for evaluation. GEARHEAD GRIP & ELECTRIC will make a reasonable effort to repair or replace the Equipment in the shortest amount of time.

Loss and damages. Upon return of damaged equipment, GEARHEAD GRIP & ELECTRIC will make a determination of the extent of the damage and the required repairs. You and/or your representative(s), will have a reasonable amount of time to inspect the damage. In determining whether equipment shall be replaced or repaired, GEARHEAD GRIP & ELECTRIC'S judgment shall be conclusive upon you. Should GEARHEAD GRIP & ELECTRIC determine that the equipment must be replaced, you will be responsible for the cost (including shipping) to replace the same item or the closest comparably equipped model, at current retail prices less any discounts available, without deduction for depreciation.

Lost, stolen or destroyed equipment. In the event that after delivery to you, any of the equipment is lost stolen, damaged beyond repair, destroyed or otherwise disappears or is not returned for any reason, you will be responsible for the cost (including shipping) to replace the same item or the closest comparably equipped model, at current retail prices less any discounts available, without deduction for depreciation.

As soon as you realize that equipment is missing, notify the rental company, and file a police report. In all instances immediately report any missing, lost, or stolen equipment to GEARHEAD GRIP & ELECTRIC and file a report with the local authorities.

### RENTAL CHARGES AND LATE CHARGES

You must return the equipment on the date specified in the Rental Contract or be subject to additional charges. The last rental day shall be the day specified in the Rental Contract or up until 10:00AM of the next business day. A full additional day's rental will be charged for any Equipment not returned by 10:00AM. Full daily rates shall be charged for each day Equipment is not returned after the date specified for the return of the Equipment. If you return the equipment in damaged or nonworking condition, the lease period will be extended by the shortest reasonable time necessary to repair such damage or replace non-reparable equipment and return the item(s) to GEARHEAD GRIP & ELECTRIC's general inventory. The extended rental period shall apply only to the damaged or non-working item(s), unless the item(s) forms a part of other equipment. There may be delays in repair or replacement attributable to causes beyond GEARHEAD GRIP & ELECTRIC'S control. The acceptance of the return of the Equipment by GEARHEAD GRIP & ELECTRIC is not a waiver by GEARHEAD GRIP & ELECTRIC of any claims that it may have against you. Rental charges for the damaged or non-working equipment shall accrue at full rental rate for the item(s) irrespective of any package discounts or other discounts agreed to at the inception of the Rental Contract, until the item(s) is repaired and/or replaced and the invoice for damages as been paid in full to GEARHEAD GRIP & ELECTRIC. If requested you shall advance the money in order to allow GEARHEAD GRIP & ELECTRIC to repair or replace the equipment.

All brokerage charges and shipping charges, fees and taxes are to be borne by you and prepaid prior to shipment.

Returning shipments should be consigned to the origination Customs broker for clearance and re-entry into the U.S. In no cases is the Equipment to be shipped directly back to GEARHEAD GRIP & ELECTRIC. Returning shipments should contain instructions to the Customs broker regarding the disposition of the Equipment after clearing the U.S. Customs (i.e. deliver equipment to the Rental Facility, or to your U.S.A. address.) You acknowledge that rental charges accrue for time in transit, including the time Equipment may be in the hands of the designated Customs broker, or U.S. Customs Service. You agree that the payment of U.S. Import Duty Taxes which may be levied for foreign made goods, is your responsibility, even though you followed the above procedures.

Please see Policies and Procedures for additional information.
